

MELISSA AGNES

INTRODUCTION

(to be read by the person introducing Melissa at your event)

When companies around the world see a crisis heading their way, they call in our speaker – Melissa Agnes -- to prevent trouble.

Melissa is the President and Co-Founder of Agnes Day Inc., a crisis management firm that helps plan for, prevent, and manage a vast array of crises and emergencies.

She has been featured in *Forbes*, *the Wall Street Journal*, *VIBE Magazine*, and *USA Today*.

She is the editor of the highly-acclaimed Crisis Ready Blog, and the host of the internationally-recognized Crisis Intelligence Podcast.

As a keynote speaker, Melissa travels the world speaking to organizations such as NATO, Ministries of Foreign Affairs, Ministries of Foreign Defense, Ministries of Health, as well as a wide range of private and public companies and associations.

When she's not speaking, Melissa can be found sailing, playing the piano, or chasing her two German Shepherds.

From just outside of Montreal, Canada, please help me welcome...

Melissa Agnes!
