Scott Shellstrom is the modern day Da Vinci, and inspires teams everywhere to rediscover their own ability for creativity and innovation.

As a former advertising executive, Scott knows that creativity is more than an art, it's a skill. Scott's presentations will unite and excite your team as they collaborate and support one another using proven techniques of improvisational theater. He ignites productivity and inspires unique solutions to everyday challenges. He teaches how to prosper from perspective and see more than what the picture first portrays.

(And if that wasn't enough, just wait for his masterpiece painting... done in four minutes... upside down.)

Breakthrough Brainstorming: Fun, Fast Strategies to Unleash Your Brilliance!

Effective brainstorming leads to idea generation and multiple solutions required to thrive in today's constantly changing business environment. However, there's more to effective brainstorming than simply throwing out ideas in a group setting. In fact, research supports this traditional method hinders and prevents the best ideas from surfacing. Attendees will overcome this challenge by employing the skills of Improv that forward-thinking companies such as Google, Nike, and Nissan have incorporated into their sessions to spark innovative dialogue, break down barriers, and ignite creative solutions. As a result of attending this program you will:

- Identify specific strategies for brainstorming success
- Unite and excite your team through powerful, proven techniques of improvisational theater
- Breakthrough barriers such as unconscious bias and mindset to maximize outcomes

"Scott spoke to our Sales & Marketing Leadership Alliance and made a huge impression! His style, content and delivery is so different than the typical, canned presentations we see on a regular basis, and his approach was very refreshing. We have received nothing but positive feedback from our members."
