All of Scott's programs are customized and personalized for each audience, and can be delivered in-person or virtually for your next event.

Scott Shellstrom is the modern day Da Vinci, and inspires teams everywhere to rediscover their own ability for creativity and innovation.

As a former advertising executive, Scott knows that creativity is more than an art, it's a skill.

Scott's presentations will unite and excite your team as they collaborate and support one another using proven techniques of improvisational theater. He ignites productivity and inspires unique solutions to everyday challenges. He teaches how to prosper from perspective and see more than what the picture first portrays.

(And if that wasn't enough, just wait for his masterpiece painting... done in four minutes... upside down.)

Breakthrough Brainstorming

Fun, Fast Strategies to Unleash Your Brilliance!

Effective brainstorming leads to idea generation and multiple solutions required to thrive in today's constantly changing business environment. However, there's more to effective brainstorming than simply throwing out ideas in a group setting. In fact, research supports this traditional method hinders and prevents the best ideas from surfacing. Attendees will overcome this challenge by employing the skills of Improv that forward-thinking companies such as Google, Nike, and Nissan have incorporated into their sessions to spark innovative dialogue, break down barriers, and ignite creative solutions. As a result of attending this program you will:

- Identify specific strategies for brainstorming success
- Unite and excite your team through powerful, proven techniques of improvisational theater
- Breakthrough barriers such as unconscious bias and mindset to maximize outcomes

"Scott spoke to our Sales & Marketing Leadership Alliance and made a huge impression! His style, content and delivery is so different than the typical, canned presentations we see on a regular basis, and his approach was very refreshing. We have received nothing but positive feedback from our members."

Unleash Your Networking Power

A successful conference happens when attendees network, share new ideas, and build lasting relationships. Networking with more people allows attendees greater access, promotes the sharing of information, and turns strangers into professional partners.

This program kicks off events of all sizes with energy and engagement, bringing people together in a unique and memorable way. Scott teaches how to create alliances that value each person's expertise, creative ideas, and shared history.

This interactive, hands-on program ignites powerful networking through effective tools, techniques, and strategies. Scott gets attendees out of their seats, so they can implement those freshly learned lessons in real time. Interactive exercises include networking together in pairs and then gathering in small groups to discuss current challenges and solutions.

Key Takeaways:

- Networking is an art and much more than elevator speeches and business cards
- How to foster new relationships that are authentic
- How to avoid the biggest mistakes in networking
- How to search for similarities to create more powerful connections

"Scott Shellstrom was an outstanding speaker with a strong message on creativity and innovation. Conference attendees were engaged and inspired throughout the entire session with the various presentation mediums!"
