# INTRODUCTION

*(To be read by the person introducing Anton at your event)*

Our speaker today is a distinguished leader and expert in workplace culture, with over 25 years of impact across healthcare, public service, and corporate leadership.

He is a former senior advisor to President Barack Obama and a C-level executive at a \$1.2 billion health system. Fierce Healthcare named him as one of the Ten Most Influential Minority Executives in Healthcare.

He is a graduate of the University of South Carolina, where he played SEC football for the Gamecocks and earned a master's degree in social work. He was also a Resident Fellow at Harvard University.

He is the author of three best-selling leadership books and has been featured in TIME magazine, the Wall St Journal, Inc. Magazine, and on Good Morning America.

As an elite keynote speaker and strategic advisor, some of his clients include renowned organizations like Microsoft, KPMG, Pfizer, T-Mobile, State Farm, and HCA Healthcare.

His presentations challenge people to think differently, act differently, and transform their workplace culture from withered and wretched to world-class!

When he's not speaking to audiences like ours, he moonlights as an 80s and 90s hip-hop historian with a music and memorabilia collection that would make DJ Jazzy Jeff jealous.

Please help me welcome... **Anton Gunn!**
