

ERIC TERMUENDE

INTRODUCTION

(To be read by the person introducing Eric at your event)

Eric Termuende is a globally recognized keynote speaker who has been on hundreds of stages and worked with category-leading companies from all over the world.

His best-selling book, *Rethink Work*, has been a go-to resource companies as we collectively navigate the future of work.

As the Co-Founder of NoW of Work, Eric spends his time studying incredible leaders, and he is here today to share what separates those that thrive in the future from those that don't.

He's one of the busiest speakers in the world -- and today, you're going to find out exactly why.

Please welcome... **Eric Termuende!**
